**All Go Over Winter**

The summer season may be over but it is all go at the Club. The plinths on the bottom green have been ripped up and are in the process of being replaced, while the ditch on the kindergarten side will be widened. The honours boards have been up dated with this season's champions, with just the BoM board and sponsors boards on either side of the bar to be updated after the AGM. Everyone is talking about the social events for June and July, some will sell out while others will still have tickets available on the day. All members are asked to support events where they can. There are also a number of private functions, that at times will inconvenience some members, but it is that guaranteed couple of grand over the bar that is better than a possible and often not all, few hundred. Winter is always lean times sucking up any financial gains made over the summer. If we can realise a financial gain over the few winter months all the better for paying off the Club's bank loan and moving the Club forward. The current set up in the Club didn't magically happen, it came about over a number of years with members putting in many hours.

# That was Birkenhead's Dick Bree

After having won BHN Men's Champ of Champ Triples (Jimmy Heath, Jack Huriwai and Steve Yates) only a few weeks previously in May Birkenhead's hopes of a Centre triples title were high. Saturday up at Orewa Steve Yates, Jack Huriwai and Jimmy Heath started off the day against club mates John Hindmarch, Lionel Drew and Mike Haggart, with Hindmarch coming away on top (15-11). Hindmarch went on the win two games but Riverhead's Steve Cox won three and the section.

The greens of Mahurangi proved more fruitful for Birkenhead. While Nigel Drew, Marty Short and Mark Rumble, along with Gary Wallace, Robbie Henson and Adam Richardson failed to qualify for Sunday play. The trio of Randall Watkins, Tony Grantham and Keith Burgess went through with three wins, as did Peter Nathan, Evan Thomas and Chad Nathan.

Sunday and the last eight under the cover at Orewa, Watkins went down to Takapuna's Jeremy Brosnan (17-19) while ex-Birkenhead member Denham Furnell's Manly team overcome Nathan by one shot (17-16).

Jeremy Brosnan, Ian Hardy and Bevan Smith went on to win the Dick Bree after beating Furnell in the semi (20-9) and Orewa's Ian Gardener, Willie McIvor and Wayne Harris in the final (17-13).

### Spotlight on Club Partners

This week we put the spotlight on "The Birkenhead Licensing Trust". Although not a sponsor, but with the Trust's support over the years the club has benefited from many grants. Source <http://www.birkenheadlicensingtrust.org.nz>

The Trust is a net proceeds-committee of the Lion Foundation and is responsible for approving grant funding to the local community groups in Birkenhead and surrounding areas from gaming funds generated by Lion Foundation. The Birkenhead Licensing Trust was established in 1967 after voters decided that the Birkenhead Council area should change from 'dry' to 'wet' under the control of a licensing trust. In 1970 the Birkenhead Trust Hotel was opened, with catering facilities designed to cater for all locals. A period of expansion was followed by the economic slump of the late 1980s, the recipe for a loss-making enterprise. In 1992 the trust hotel complex was sold and only the wholesale outlet retained. The Birkenhead Licensing Trust then sat for a number of years, accumulating revenue through the wholesale outlet and distributing interest accrued to local community groups. Meanwhile local licensing reins were loosened, allowing other operators to apply for licenses. In the interim the Trust sought other suitable sites. In 2002 the Slipp Inn Pub had been opened by Allen Vaughan, who had a long history with Lion Breweries. In 2006 the Trust approached Mr Vaughan with an offer to buy the Slipp Inn, as it seemed a good fit for several reasons: the Trust is a net-proceeds committee of the Lion Foundation; grant funding to the local community comes from funds generated by Lion Foundation; the Trust was already the pub's landlord; the pub fitted the family-friendly ideal of the Trust; and the gambling facility was a source of revenue. The Pub undertook extensive renovations and was reborn as "The Good Home Birkenhead" But, you ask, what is the difference between a Trust operation and a private or brewery owned enterprise? Well, all profits from bar and restaurant sales and gaming proceeds are distributed in the local community through the Lion Foundation, rather than going into a big national pool for distribution nationally. As Mr Vaughan points out, "The Trust does a lot of good in the community, it is not self-rewarding or ruled by self-interest, there are no paid directorships, and all six trustees are chosen by the electorate in the local body elections. As a result close to \$1 million annually has gone back into the community in recent years." The Trust also owns the Glenfield pub Inn Field; revenues go back into the Birkenhead, Glenfield and Northcote areas from both establishments.
