### That was Dunedin

Last Saturday was not a good day in Dunedin. As the Herald reported "Disaster in Dunedin" after the All Blacks had gone down to Ireland, but that's not where is started for Birkenhead. The day previous Birkenhead's Trish Croot and Kirsty Hill stepped on to the green (the blue carpet) at Hopes Dunedin Lawn Bowls Stadium in pursuit of national glory in the Bowls New Zealand National Women's Champion of Champions Pairs.

First up and the TV game, Croot and Hill produced a solid start to their campaign with a (28-12) win against Featherston's Dale Rowe and Olivia Mancer and then followed it up with (17-13) win over Hikurangi's Diane Lawrence and Leanne Stewart. The afternoon game saw Croot and Hill go down by one shot (20-21) to Queenstown's Debra Lloyd and Jane Anderson, but their hopes of qualifying were still alive.

One game remained to be played Saturday to get the three wins to qualify for Sundays post section play. Victoria's Sarah Taukamo and Mary-Ann Wilson had lost all their previous games (9-16, 10-17, 11-18) and couldn't qualify. This is bowls and the fourth game is always the hardest if it is the one you need. This certainly was the case for Croot and Hill as Taukamo and Wilson got out to a lead and dashed Croot and Hill's chances of a playoff spot by pulling off an unexpected win (20-8), putting Croot and Hill on the evening plane back to Auckland. Dunedin had promised so much but it didn't deliver, roll on the 2022-23 season.

### The Dog House Returning

Have received many quires, where is "The Dog House"? You either love it or hate it, and at times it has proved controversial, but there is no denying there is a large group of followers out there. It has been absent from the Bee Express for a few months as Mike retired and then went back contracting. Now things are settling down "The Dog House" will be back on its irregular bases once we get into the coming summer bowling season and Mike has more time to devote to his column.

## History of Bowling on the North Shore

Reproduced from "A Bit of History & Celebrations Guide" marking the Club's 75th Jubilee in 2018. Originally published "Zooming in on the History of Bowls at the Birkenhead Men's Bowling Club 1943-89" Compiled by Jack Gledhill.

(taken from the North Shore, Sub-centre Report, 1972)

"Those who read our programme for last year's North Shore Open Fours Tournament will recollect we recounted the growth of our game on the Shore insofar as competition and inter-club play was concerned. This year we give you the story of the growth of clubs and the happy co-operation which exists between them. The first recorded association between clubs was around 1920, this being between Devonport (established in 1895). Waitemata (now Northcote, established 1900), Takapuna (1911) and Stanley (1920). Over the next two decades these four clubs enjoyed keen competition mainly through the Cadness Cup and Marine Pennants Competitions. Isolationism and lack of newly formed clubs somewhat restricted activities.

However, the advent of the 1940's saw an upsurge of interest in developing areas with the formation of clubs at Browns Bay (1943), Birkenhead (1944) and North Devonport (1945), with these additional clubs there was added interest in the Shore inter-club competitions. With more peaceful times prevailing, again another upsurge of interest came about with the formation of the Takapuna RSA Club in 1947, Mairangi Club in 1948 and the Bayswater Club in 1950.

Growth remained steady within the established clubs until we saw the foundation of what we refer to as our country clubs, namely Orewa (1951), Manly (1952) and Silverdale in 1957.

Further expansion of bowling on the Shore came about with the opening of the Harbour Bridge, when the Glenfield Club was established in 1958. To date, we have recorded 14 of our clubs – the 15th of our affiliated clubs is Kaukapakapa, which was established in 1928.

In the season 1964-65, this club decided to affiliate with the North Shore Bowling Sub-centre because of its associations with its neighbouring clubs Orewa, Silverdale and Manly.

Since their establishment each of our clubs have either increased their playing areas or enlarged their clubhouses to accommodate new members. This steady growth is most encouraging. At present, the playing strength within the Sub-centre is 1694, an increase of 91 on the previous season.

But what of the future? At present, some of our clubs would gladly welcome new members and it is to be hoped that the "house full" sign will soon be displayed at these clubs.

The statisticians and town planners tell us that within the next ten years or so we can expect the population on the Shore to double; obviously, this will lead to the establishment of more clubs to cater for many adherents of our game who will become flat-dwellers or residents in new, developing areas.

Few of the present clubs can expand their playing areas, therefore it is possible to see odd new clubs within the more populated districts; but the more spectacular growth is likely to come from places such as Beach Haven, Greenhithe, Milford, Forrest Hill and Albany areas.

With the growth and development expected, can we anticipate perhaps 24 clubs on the Shore by, say 1957?

With such a closely-knit group of clubs joined together by lack of transport to Auckland City in the early days, co-operation between the various clubs grew to the extent that under the guidance of the Sub-centre an annual "Wool Sale" meeting is still being held, when all clubs get together to arrange their mid-week and Sunday tournaments thereby avoiding clash-

ing of dates with their neighbouring clubs and also important dates at the Centre and Sub-centre programmes.

This aspect of group co-operation is something which the Auckland Centre has commended and suggested that it could well be adopted by groups of clubs within the same areas of the City.

As further evidence of club co-operation, a grooving machine was purchased by the Sub-centre to be used by the clubs for their annual green renovations.

In 1962, it was decided to buy a soil pulveriser, the cost of which was met by each of the clubs contributing seven pounds; this ensured the clubs of the right to have the full use of this equipment, while other bodies such as women's bowling clubs pay a hireage charge. Our thanks must go to Manning Bros, in particular Mr Frank Manning, a member of the Bayswater Club, who undertook to maintain the equipment and also keep a record of the bookings from the various clubs for some years.

The Sub-centre Executive was fully aware this was a labour of love and, therefore, were grateful to accept an offer from Browns Bay Club to house the equipment and arrange bookings.

Continued over page

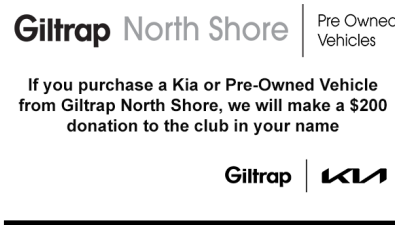

Continued from previous page

With a change in greenkeepers, the machines have for the last few years been stored at the Mairangi Club and the Sub-centre and clubs are appreciative of the particular efforts of "Skip" Barnes, who was not only green superintendent but a Past President of the Sub-centre, for attending to the various bookings.

Shortly, this equipment will be shifted to the Takapuna RSA Club. Clubs requiring the use of our machines are asked to contact John Dewar of that club.

The goodwill and co-operation between clubs and players on the Shore over the years has contributed to the steady growth, and assures us of the anticipated growth in the future."

In 1984 North Shore separated from the Auckland Centre becoming a full centre in its own right. Incorporated in the centre were 21 clubs with 2973 members, making it the 5th largest centre in NZ in 1988.

## Stingers Halo Slips but Doesn't Fall Off

By Alan Oliver

The Stingers were playing away last Saturday against MOA's from Swanson RSA and whilst their unbeaten run has come to an end, they remain unbeaten!

Lobbing for the Stingers this time were David (The French Connection), Taffy (The Taffynator), Steve H (Yorkie Pud) and Steve Arms (Armsy).

In the first four games (reverse pairs), the two Steves picked up two wins from two (2-0, 2-1) and Taffy and David lost both (0-2, 1-2). Not too bad so far, and all square at two-all going into the singles.

The guys remained level after drawing the first round of singles with two-all. In round two, they only picked up one win and so were behind by two points (5-7) going into the third round. Another two-all draw in round three meant that The Stingers were behind going into the last four singles games (7-9) and needing some big wins.

Thankfully, the guys pulled out some awesome darts, winning three out of the last four games for a hard-fought and well-earned draw at 10-10.

Special mention must go to Taffy for winning all his single's games (2-0, 2-0, 2-1, 2-0).

David picked up an impressive three wins out of four in only his second game for The Stingers. Steve Arms got a respectable one win and Steve H was unfortunately defeated in all his games.

An 'Sting in the Tale' award this week goes to Taffy who apparently changed the darts he was playing with 9 times (minimum) during the day.

Taffy was on top of the 100+ scoring, with a solid eleven 100+ scores, including 2 x 140s and a 112 start. Steve Arms hit an impressive nine 100+ scores also including 2 x 140s and a 112 start. David sunk a super six 100+ scores including a 110 start. Steve H hit three 100+ scores including a 120 start.

The Stingers are next playing on Saturday 16<sup>th</sup> July, at home The Shooter from Avondale RSA. This is the last game of round one - can they extend their unbeaten run to nine and get through the first round undefeated?

Come on down and support The Stingers this Saturday – games start at 2pm.

We'd love to take this opportunity to thank our generous sponsors again without whom there would be no record of Taffy changing his darts nine times during last week's game.

 Who would have thought crochet to be such a hit in the Birkenhead Bowling Club. Eleven ladies made up of members, non-members and even BNH Centre President gathered at the Club for the BeezKnits beginner's course in granny square crocheting, along with a coffee and a natter yesterday morning. Birkenhead Bowling Club's Beezknits benefited by \$10 per lady to go towards the purchase of wool for Middlemore Prem Baby Foundation.

**2022-23 Dates**  
 It only seems like yesterday we closed out the 2021-22 summer season, and in fact the last time the greens were played on was Queens Birthday weekend, just over a month back. As the BNH Centre takes more and more of the weekends the Club's programme gets compressed and as a Club that has a number of Centre reps to accommodate and still get all our Championships and open tournaments through, we pray for fine weekends. The programme is close to finalised and will be release later this month, but important diary dates are:  
 Saturday 27 August – Opening Day  
 Sunday 4 December – Ham Tournament (OACT)  
 Wednesday 21 December – Rod Mahon Memorial (OACT - Ham Tournament)

**Official Draw for Birmingham 2022**  
*Reproduced Bowls International 11 July 2022*  
**Minister for Sport takes part in the official draw for Birmingham 2022 Lawn Bowls and Para Lawn Bowls competition**

- Minister for Sport, Nigel Huddleston, carried out the official draw for the Commonwealth Games Lawn Bowls and Para Lawn Bowls competition
- 24 different nations and territories will compete with several home nation battles lined up for the early rounds of the competition
- The Lawn Bowls and Para Lawn Bowls tournament will be held at Victoria Park in Royal Leamington Spa from 29 July until 6 August
- Tickets currently available for all Lawn Bowls and Para Lawn Bowls sessions. Tickets cost £22 for adults and £8 for under 16s

The Minister for Sport, Nigel Huddleston, visited Victoria Park in Royal Leamington Spa on Thursday evening (7 July) to carry out the official draw for seven of the 11 medal events that make up the Lawn Bowls and Para Lawn Bowls competition at Birmingham 2022. The seedings for the competition are done based on the results from Gold Coast 2018 with any new teams that did not compete four years ago being added to the different sections (pools) through the draw process. The draw was therefore carried out for the women's singles, the men's singles, the men's pairs, the women's triples, the men's fours, the Para men's pairs and the para women's pairs.

The eyes of some of the home nations will be firmly fixed on section B of the women's singles with Wales, Scotland and Northern Ireland all drawn together and in the women's pairs there is a similar scenario in section C with Scotland, England and Northern Ireland all playing one another in the group stage. Intriguing groups have also emerged in the men's triples and the men's fours with section D in the former featuring Canada, England, Malaysia and South Africa and section A of the latter featuring reigning champions Scotland, New Zealand, South Africa, Jersey and Malta. All of the Para Lawn Bowls competitions will be round robin events with each team in each of the three competitions playing one another.

The Para events for this sport include mixed pairs for players with a visual impairment and men's pairs and women's pairs for B6 to B8 athletes (ambulant and wheelchair bowlers). England, Scotland, New Zealand, Australia and South Africa have pairs entered in all three competitions.

Gary Smith, Chief Executive of World Bowls said: "With the draw now completed the stage is now set for the Commonwealth's best players to exhibit their high-class talents and to showcase our sport to a global audience. We are all looking forward to an exciting event in a superb setting at Victoria Park, Royal Leamington Spa."

Minister for the Commonwealth Games, Nigel Huddleston said: "Lawn bowls will be one of the hottest tickets for British fans at Birmingham 2022 with home nation teams drawn together across the medal events. "Victoria Park is a stunning setting for the lawn bowls and Para lawn bowls and it's great to see how investment from the Commonwealth Games will leave a real legacy for this venue and the local community."

*Continued over page*

Continued from previous page

Matt Kidson, Director of Sport for Birmingham 2022, said: "It's great that the draw for Lawn Bowls and Para Lawn Bowls has now been completed. With the world's best players taking part, it's going to be an exciting competition and a really popular sport during the Games.

"Victoria Park is going to be a superb venue for the Birmingham 2022 Commonwealth Games. Our temporary infrastructure is currently being installed and we can't wait for the teams to arrive to play in this fantastic setting."

The draw, which took place next to the bowling greens in Victoria Park, was also attended by Andrew Day, Warwick District Council Leader, who said: "It was fantastic to welcome the Minister of Sport to Victoria Park, who referred to the greens as the 'Wimbledon of lawn bowls!'

"It was an opportunity to show the tremendous amount of work that's gone in over the past few years to make this a world-class facility. With just three weeks to go until the Games it's all systems go and we're excited and ready to be welcoming the thousands of visitors and spectators over the summer."

Full details for all eleven medal events are now available at Birmingham 2022.com, where you can also take a look at the schedule and buy tickets for the competition which will get underway on Friday 29 July.
