That Guy from Northcote

All week the forecast for the Club's May Extended Triples looked horrible and the doomsayers had the last tournament for before the greens close cancelled five days out. May Extended Triples Tournament director Terry Moverley commented during the week prior "I haven't lost too many days to rain in over 20 years of running tournaments and we will wait and see in the morning".

Saturday came around and the day started off fine as the sixteen teams took to the green but it wasn't long until the sky become overcast, but no rain and the first day was completed on time. Leading the pack after day one was the guy from Northcote Brent Malcom accompanied by Brian Wilson and Sean Hird on three wins and a draw and 31 ends, Wayne Harris with Ray Brown and Ron Haydon also had three wins and a draw but 29 ends. John Hindmarch and Mark Rumble chasing the three-peat had Trish Croot in the middle, was four ends behind the Malcom, three wins and a draw and 27 ends

Both teams of David Payne, Flora McDonald and Julie Chhour along with Steve Campbell, John Petelo and Kevin Morris were only one game point off the lead trio, well in touch to pounce on day two. Daymon Pierson with Jack Huriwai and Jimmy Heath off the front and Lionel Drew accompanied by David Eades and Phil Chisholm, both good sides finished the day on two wins. Drew going down (11-13) second round to Zakk Johnson, Craig Moverley and Mike Haggart. Drew's trio got their revenge third round handing out a (15-22) defeat to Pierson. Sunday, day two, Malcom's trio started the day with a tough game against Payne with Malcom scraping home by one shot. Other front runners Hindmarch beat Tournament Partner (Jet Couriers) Steve Arms's (16-9), while Harris went down to Drew (11-10). Payne took the scalp of Hindmarch in round six with a one-shot victory (10-9). Malcolm's trio continued their winning way defeating Drew (17-8).

The last two rounds of the weekend. Harris dropped both games and dropped out of contention. Pierson picked up both games giving his trio a chance at the minor prizes, some consolation finish fourth for not such great tournament from a trio that promised much. Drew and co also finished off their tournament with two wins and enough ends to secure third spot.

Two games dropped by Hindmarch's trio in the middle of the day dented any chance of a three-peat. But second place along with a few hundred cash is more than the fourteen teams below them got.

Undefeated after seven rounds, six wins and a draw, Malcolm went into the last round with the overall tournament win secure, it was just pride on the last game, with the trio finishing off the weekend with a comfortable win (16-6) and just proving their dominance at the tournament.

Penny Wakelin's team with Geri Bremner and Diane Main having been winless after day one finished the tournament with a flurry of wins and taking out the Sunday Afternoon consolation prize. Gary Wallace's trio included Alan McQuoid and Willie Mclvor claimed the morning consolation.

But the Skip of the moment was "that guy from Northcote", Brent Malcom skipping his teammates Browns Bay's Brian Wilson and Royal Oak's Sean Hird to overall victory. At a glance May Extended Triples 2023:

Winners: Sean Hird, Brian Wilson, Brent Malcolm (s) - 22 Game Points, 62 Ends
Second: Mark Rumble, Trish Croot, John Hindmarch (s) - 16 Game Points, 51 Ends
Third: Phil Chisholm, David Eades, Lionel Drew (s) - 15 Game Points, 58 Ends
Fourth: Jimmy Heath, Jack Huriwai, Daymon Pierson (s) - 15 Game Points, 57 Ends
Consolation AM: Alan McQuoid, Willie Mclvor, Gary Wallace (s)
Consolation PM: Geri Bremner, Diane Main, Penny Wakelin (s)
Hard Luck Draw: Barry Green, Grant Keats, Ted Walker (s)

May Extended winners Sean Hird, Brian Wilson and "that guy from Northcote" Brent Malcolm (s)

World Bowls Laws Advisory Group decision on Laws 37.1.3 and 37.1.5.3

By World Bowls Marketing, May, 25th, 2023

In August 2022 the above two new laws were introduced to the Laws of the Sport Crystal Mark Fourth Edition. They were designed to penalise a player who deliberately displaced their own teams bowl on its original course or lifted a bowl at rest to allow one of their own team's bowls to pass.

Despite a clarification document published on the World Bowls Website in September 2022, it has become very clear from communications that the two laws have caused a great deal of confusion and have resulted in games being forfeited incorrectly following players innocently stopping bowls from entering the ditch.

Furthermore, the management of a side game and the resulting penalty after a team has been disqualified has also caused a great deal of confusion with MNAs and domestic Controlling Bodies.

Concern has been around the severe penalty of forfeiting the game and clarity in the wording of the law itself. Recommendations have been received to reduce the severity of the forfeit to penalising with shot deductions. This approach would be inconsistent with any other law and was not felt to be a suitable solution. Penalties have always existed for the displacement of a bowl by its own team players but at the time of the 2021 Laws re-view these penalties were not felt to be severe enough for what is considered an act of "cheating".

Having considered several options to improve the intent of these two laws, the World Bowls Laws Advisory Group have concluded and recommended to the Board of World Bowls to rescind them. The numbering of Law 37.1.4 will remain untouched until the next review of the Laws.

The changes to the Laws are summarised as follows:

~~37.1.3 If a bowl in its original course is deliberately displaced or stopped by a member of the team that delivered the bowl, the defaulting team will forfeit the game to their opponent.~~

37.1.4 Displacement of a bowl in motion.

37.1.4.1 If a bowl in motion is displaced by a player and it has not disturbed the head after it is displaced, the opposing skip or the opponent in Singles must choose whether to:

37.1.4.1.1 place the bowl where the player believes it would have come to rest; or

37.1.4.1.2 declare the end dead.

37.1.4.2 If a bowl in motion is displaced by a player and it has disturbed the head after it is displaced, the opposing skip or the opponent in Singles must choose whether to:

37.1.4.2.1 place the bowl where the player believes it would have come to rest and

replace any part of the head disturbed after the displacement; or

37.1.4.2.2 declare the end dead.

37.1.5 Displacement of a bowl at rest.

37.1.5.1 If a bowl at rest or a toucher in the ditch is displaced by a player and it has not disturbed the head after it is displaced, the opponent must put the bowl back to its former position.

37.1.5.2 If a bowl at rest or a toucher in the ditch is displaced by a player and it has disturbed the head after it is displaced, the opponent must put the bowl back to its former position and replace any part of the head disturbed after the displacement.

~~37.1.5.3 If a player lifts a bowl at rest on their rink to allow their team's bowl in its original course to pass, the defaulting team will forfeit the game to their opponent.~~

The World Bowls Board, following a recommendation from the World Bowls Laws Advisory Group, have agreed to rescind Laws 37.1.3 and 37.1.5.3 with immediate effect.

Rapport and trust are top of my list

Over the years I'm proud to have built a reputation for fairness, professionalism integrity and resourcefulness.

I worked from a very young age, making my own way and made the transition into real estate in 1981, selling Auckland central city and outer lying suburbs. I have sold predominantly on the North Shore for the last 20 years, but am open to working in other areas - I embrace change.

There's more to it than just selling houses

Listening to people is incredibly important, understanding why they are selling and what they need.

This is where I excel - it's about sitting down face to face with people and having a depth of knowledge on property and law, combined with strong negotiation skills.

Success - We can't direct the wind but we can adjust the sails

One of the keys to my success is knowing how to handle the ups and downs in the industry. Having the ability to answer any question off the top of my head and managing the different scenarios that we come upon gives my clients comfort in the knowledge they will be well looked after.

Both sides of any transaction to me are equally important; I have the ability to build rapport and enjoy working with all cultures.
