Defence Begins Thursday

Tomorrow, Birkenhead begins their defence of the PPL title (Power Play Pairs League) they won last season. Thursday evening Birkenhead hosts Zone Four (Birkenhead, Beach Haven, Northcote and Glenfield) with two rounds to be played. Round one sees Birkenhead up against Beach Haven, while round two Birkenhead takes on Glenfield. Play commences as soon as all players are available but no later than 6pm. Sides consist of six players of any combination playing in three teams of two bowl pairs and two sets of five ends. Each team can allocate one end per set as a power play end whereby they score double points for any shots scored.

At the conclusion of play a BBQ is provided for all players competing that night and in the Birkenhead way we will also endeavour to feed those club supporters.

The top team in each zone will be found at the conclusion of the four weeks of qualifying whereby each team in a zone plays every other team in the zone twice. With the top team proceeding to the finals day the afternoon Saturday 27th October.

Spotlight on Club Partners

This week we put the spotlight on long time Club Partner Dil's Funeral Services.
By Stephen Dil

Since 1960 Dil's Funeral Services has been meeting the needs of families as they cope with loss and sadness after a death. We provide funeral services based on the wishes of the families we serve. They are personalised, meaningful and memorable.

From the very beginning, we have run our company on a set of traditional family values that ensures you are met with sensitivity, empathy and warm professionalism as you begin plans to farewell your loved one.

From your first contact with us, our carefully selected and experienced staff will take the worry out of getting it right. We work sensitively to help you create a funeral service that will truly reflect their life, and the feelings of your family and friends.

This deeply personal approach formed the unique heart of our service when it was originally founded by Wilfred T Dil - and it remains in place today as our business continues into the third generation of family ownership. Today the company is owned by Wilf's grandson Stephen Dil.

Equally important to remaining true to these original values has been our ability to evolve along with the times, to innovate and embrace new ideas and continue to meet the needs of changing generations.

We carry out our work as a 'family', with integrity, honesty and with the highest respect for you and your family. In line with the very best philosophy based on familial care and empathy - 'nothing is too much trouble'.

Our company stands apart as a funeral service provider and, at this difficult time, we can assure you that:

- We will listen to your needs and find out exactly what you want
- The funeral service we create together will be personal, individual and tailored exactly to your requirements
- Traditions and special requirements important to your family will be followed
- Help and guidance will always be available and you will have access to knowledgeable, experienced and sensitive staff
- You will have access to world class facilities including our award winning North Harbour Chapel.
