Spotlight on Club Partners

Local real estate agent Ann Lepper. Anne sponsors a tournament midweek annually and the prize giving at the conclusion of play is certainly unique with plays vying for the converted title of "Sexy Spice". Thanks Anne for your continued support of the club.

I love and am passionate about real estate, for me it is not just a job but it is who I am & what I am about, helping people with one of the most important assets in their lifetime. Barfoot & Thompson is my vehicle in pursuing this passion and have been humbled with the recognition & rewards given for consistently being in the top 20 percent of successful

real estate professionals since 1995. Validation of the pleasure of working in real estate, gaining valuable experience & knowledge, achieved through commitment. Treating people with respect, been up front and a good listener I believe is essential, along with a sense of humour to release the anxiety that comes with dealing with property options. Humility is a characteristic to be retained, so the focus is not on ourselves but on the people who are looking for guidance and expertise in dealing with valuable assets in their lives, whether selling or buying a property.

Childhood began on the North Shore in Devonport then with my family buying a home in Glenfield. Eventually married life led to Torbay & our very first home. Three more moves & we now have settled in Northcote Point. The effort of 'letting go & moving on' each time has allowed me to 'step into the shoes' of those dealing with the same real estate activities and understand the dynamics.

The passion for the real estate industry has allowed for investment in the property market also which has led to specialising in the residential investment market & helping many other people to realise financial success & independence for themselves.

Living & breathing real estate is an exciting & rewarding lifestyle, making resources available to helping other people outside of every day real estate issues and where compassion can be given. "My work is my life-style & my life-style is my work" and allows an avenue to helping other people from a different position.

Barfoot & Thompson has been a well-known Kiwi icon since 1923, and I believe Barfoot and Thompson's strengths lie in the powerful network within the company & the professionalism promoted. A company with 'Old school' basic principles but with solid future standards. This is also the foundation for myself & my team, enabling us to all work together & remove the stress & tension for others when selling or buying a their home. Call anytime to discuss your real estate needs & I will impart the 'pearls of wisdom' for your present & future decisions.
