**Who Is Elaine?**

Who is this person, our new treasurer? She is known to some but largely unknown to the general membership. Elaine is the mother of past President Greg Utting, mother in law of Jo Utting, she is a social member of the Birkenhead Bowling Club and a great supporter of the Club's social events. But there is much more to Elaine than just her connection to a past president and being a retired accountant.

*Reproduced from Stuff 4 June 2018*

She's delivered meals, cheered netballers on to success, tallied up accounts, taught business classes - all in her free time - and that's just the beginning of the list. Wherever there's community, she's part of it.

Elaine Utting is one of 192 Kiwis who has been recognised this Queen's Birthday (2018) as having made outstanding contributions to their respective fields. To receive a Queen's Service Medal for her work with North Harbour Netball and in the community, however, is not an honour she expected. Instead, the Justice of the Peace (JP) said she's just done "what she's always done". It's also something she puts down to being part of a generation that began life against the backdrop of a world at war.

Growing up in small farming communities in the North Island's King Country and coming from a family of eight, looking out for others was an essential part of life. "I learnt very young that if you want to survive in a small community, you just have to be very community-minded." When she was 15, the family moved to Auckland's North Shore, where Utting has remained ever since.

The mother of two gradually became involved in numerous community groups, including Red Cross' Meals on Wheels, Hospice North Shore, and serving at Netball North Harbour for what would be 63 years, variously as a coach, umpire, treasurer and president. During the 1970s, she was responsible for organising North Shore Primary School Netball competitions.

Even now, Utting turns up at the courts at around midday every Saturday, no matter the weather, to cheer her old club, Shore Rovers, on. Helping out in the community has always been, and still is, very much a family affair.

When her youngest son was two, Utting would take him on her meal delivery rounds. As they grew up, it became a school holiday activity - now one she shares with her great grandchildren. After her husband of 50 years, John, passed away, Utting moved to Greenhithe, and where she has also become a mainstay. The former accountant is treasurer for the Greenhithe Residents' Association and also coordinates Neighbourhood Support in her street. Sometimes, there's up to five people a day who pop by requesting her services as a JP. It's a role that continues to bring her into contact with a lot of "lovely people," she said. "There's no quiet day, and that's the way I like it."

Above all however, it was John's support of her community work that made all the difference. "It was because of his attitude that I was able to continue and do these things."

Elaine Utting QSM (right) with Governor-General Dame Patsy Reddy.

**It's All Go in Cornwall**

*Reproduced from CornwallLive*

Bowls players in Cornwall are being threatened with disciplinary action after some competitors saw red on the green.

Game officials have been subjected to "totally unacceptable" verbal abuse in recent weeks, leading to a warning to all players across the county.

The abuse of officials has become so bad that organisers of national qualifying tournaments have sent a letter to all clubs warning that players who breach Bowls England and Bowls Cornwall regulations will be thrown out of tournaments.

Committee members at Bowls Cornwall Group One, which covers clubs in the west of the county, have threatened to refuse to officiate at competitions or run leagues unless players learn to control their tempers.

The clubs that would be affected if these officials were to carry out their threat are Penzance, Penlee, Helston, Porthleven, St Ives, Porthmeor, Holmans, Bickford Smith and Camborne.

It's understood that a small number of bowlers are under investigation and face possible bans from playing after recent incidents involving umpires and organisers.

At the end of last month, players taking part in national singles qualifying competitions were read an official warning letter before play started. Each competitor was also issued with a copy of the players' code of conduct.

The letter, jointly written by the governing bodies in Cornwall, stated: "The last two weekends have seen officials tasked with running the local rounds of national events being subjected to several instances of verbal abuse from a small number of players.

"This is not the first time that such things have occurred, with similar instances, to some degree or another, experienced over the past few years.

"This kind of behaviour is a breach of Bowls England and Bowls Cornwall regulations and is totally unacceptable. The events of the past two weekends have been reported to the Bowls Cornwall administrator with a view to formal complaints being made against the players concerned. Such complaints might well lead to disciplinary action being taken.

"While officials are, to some extent, reluctant to go down this road, it must be borne in mind that this is not the first time such a situation has arisen and we must make it 100% clear that any further occurrences will result in formal action being taken.

"The officials give their time willingly to operate the league and competitions programme and will not continue to do so in the event of any further situations as detailed above.

"The likely outcome of this would be that there would be no leagues or competitions other than anything organised within clubs, and the many would therefore suffer because of the few."

**Sky Survivor NRL**

Sky Survivor kicks off again this Thursday, Round 15, and there is still time to get in on the action. There will be no picks required for Round 16 due all the byes, so Round 17 we are back picking.

**Everyone Fill Your Trailers**

We have been given the all clear from Biosecurity for our huge pile of free fill to be removed. Due to the fruit fly restrictions the removal outside of the area was restricted, this has since been check and clarified that now it maybe removed outside of the restricted area.

It is from off the top green and can be uploaded from Club's carpark, help yourself. Back up and fill up, before the kids throw it all over the carpark.

### 1 July Plastic Bags Gone

The Waste Minimisation (Plastic Shopping Bags) Regulations 2018, announced last December, ban single-use plastic shopping bags under 70 microns in thickness from 1 July 2019. That is Monday next week!.

The regulations apply to all businesses in New Zealand, both profit and not-for-profit organisations. Unfortunately we will not be able to use the current stock of plastic carry bags at the Club after next Monday. The Waste Minimisation Act allows for fines of up to \$100,000 to be issued when parties deliberately breach regulations under the Act.

### Club for Hire

The club is for hire by members as well as outside individuals and organisations not only during the summer but also over winter. Both lounge areas are north facing and offer a warm venue during the day.

The facilities are available for hire for corporate functions, birthdays, wedding anniversaries and family reunions to name a few. We can assist you to run your own outdoor or indoor Bowls Tournament.

There are two bar areas. The main bar and large lounge located upstairs can comfortably seat 120 people buffet style or 220 for a cocktail function. The downstairs bar area is ideal for smaller functions and is right beside the bowling area, it can comfortably seat 45 people buffet style or 60 for a cocktail function.

Relax on the deck off the main bar upstairs which overlooks the main green. Full catering options are available. A commercial grade kitchen and cooking facilities are also available. All functions, including catering options, are to be booked with the club's Function Coordinator Emmie (0275 297 297)
